COMMUNITYCOMMUNITYCOMMUNITYCOMMUNITYCOMMUNITYCOMMUNITY

FSAT Strategic Direction
Engage communities & demonstrate results

FSAT Strategic Direction
Deepen our service strengths

Community Development principles

Community & Neighbourhood Development
Philosophy Statement:
We are facilitators who support communities and neighbourhoods in dynamic processes of civic engagement and meaningful participation to affect sustainable social change and inclusion. We work from within an anti-oppression framework. We value the exchange of knowledge and embrace opportunities for learning and capacity building – for ourselves and for others. We do this by focusing on issues identified by communities through open dialogue by using a range of tools and approaches.

Access & Equity Policy

Anti-Oppression Policy

FSAT Strategic Direction
Commit to learning and innovation

FSAT Strategic Direction
Strengthen our financial independence
